

One of the Service Projects St Leo's VBS will be doing this year is called **BLESSING BAGS**. We are hoping our parishioners can help us with the items we need to complete this project. In order for each child to do at least ONE bag, we will need **60** of each product.

If you so graciously can provide all 60, God bless you! Or maybe you and a friend(s) can split it up to provide what we need. Here is a list of Items we are hoping to place in our bags:

If you plan on donating any of the items please mark an **X** on the blanks next to the item, so we know what is being purchased, how many and what is still needed. Blanks are separated in increments of 10. We asked for 60 of each item, but we know the need for more is great and would love to be able to make more! Thank you for your generosity!

Please have all items here by JUNE 2nd—so we can prepare what we have with what we will need to complete this service project.

AGAIN—we cannot thank you enough for your help!
